Dear Mike:

I am enclosing the copy for the cards in Trenton.

Send them to Dory Laramore 228 N. Willow St. Trenton
N.J. c/o The Citizens Club.

How many do you think he should have. He is supposed
to cover all the little towns near Trenton. I think
150 will do. If you think there should be 200 send
that ammount.

I am also sending out a letter to the Trenton folks.
A mailing list Laramore had. I hope the town looks
like something, because we have to try and keep busy
with the salaries we are paying.

The Newark card looks nice. I have not received the
mats as yet. Have you sent them?

Yours Truly
